Special Procedures And Remarks:	Runway 02-20 is the primary strip. Runway 12-30 is not currently maintained, use in an emergency only. Aircraft taking off runway 20 are not visible from the threshold of runway 12 or 30, radio calls on 126.7 are essential. All thresholds are displaced due trees. Beware fences, kangaroos, other animals and birds. Used occasionally by flying schools for circuit training. Approach below 500 feet and landing fees: \$8.00 per engine, unauthorised use \$25 per engine, special arrangements are available for regular users. No fees for precautionary or emergency landings or for Angel Flight operations. Permission required prior to use (08) 85652291 or 0417 861262. Use of the landing ground and associated facilities is entirely at the risk of the user. The pilot is responsible for assessing its suitability for the safe operation of aircraft and the safety of all aircrew and passengers. Caution: there is another private airstrip immediately to the east.
